

## **FMEA Annual Trials and Experience of the *Ocean Intervention***

**Author:** Robby Coggin, *Oceaneering International, Inc. Houston*

### **Abstract**

The FMEA proof, executed as part of an annuals trials program, is an effective tool to ensure continuing system reliability and crew proficiency. In the absence of frequent and continual testing, systematic failures in the lower sub-systems might occur which could expose the vessel operator to unwarranted high risk.
