

Panel Discussion

Moderator: Lew Weingarth, *Transocean* .

Abstract

The paper covers questions posed in advance to a panel of Training Center Experts.

They were given four weeks to prepare their responses before the panel convened on Tuesday 28 September 2004. The questions were posed in front of an audience of about 200 participants, who were allowed to question the panel further on these and other subjects. The panel responses are summarized after each question.

The panel included the following people, in alphabetical order :

David Bray - Lowestoft College

Ian Giddings – Nautical Institute

Doug Olson – Alstom

Colin Soanes – The Dynamic Positioning Centre

Ivar Storvik – Kongsberg Maritime

Doyle Van Deman – Nautronix
