

# ADVANCE PROGRAM

# Dynamic Positioning Conference 2017

WORKSHOP: OCTOBER 9, 2017  
CONFERENCE: OCTOBER 10 - 11, 2017

*Westin Houston Memorial City - Houston*

Opportunity runs deep™

## ABOUT THE CONFERENCE

Dynamic Positioning continues to be an evolving science characterized by product innovations, advancing technology, diversified applications, new standards and challenges. The MTS Dynamic Positioning Conference provides DP professionals with the opportunity to keep current and abreast of the latest technology, applications and changes affecting Dynamic Positioning. This is a must-attend event for all professionals actively involved in DP or interested in gaining a better understanding of this continually advancing science.

The Conference starts with a one-day workshop followed by a two-day technical conference. This provides three days of informative cutting-edge presentations, exhibits, and social gathering opportunities for informal discussions and exchange of knowledge, experience, and lessons learned. Comprehensive Conference Proceedings are published on the Internet. This focused conference provides access to key decision-makers and technology leadership in the Dynamic Positioning industry, making the MTS DP Conference the world's leading symposium on Dynamic Positioning.

This year's technical program will again focus on new technology, while addressing topical and requested topics such as risk and cybersecurity, environmental issues, lessons learned, and case histories. The conference will be of value to all DP professionals, including designers, engineers, DP operators, support staff, consultants, class societies, government organizations and regulatory agencies, and DP vessel managers and owners.

### WORKSHOP

A one-day workshop will be held on Monday, October 9, 2017. These workshops have proved to be both highly informative and extremely popular, and consistently sell out.

This year's workshop will focus on the latest MTS DP Guidance Documents and will follow a similar format to previous years. Space is limited and those planning to attend should register early.

### EARLY REGISTRATION DISCOUNT

Register by September 9, 2017 for the Conference early registration discounted rate of \$550 for MTS members and \$625 for nonmembers. Registration includes technical sessions, lunch both days, evening receptions and online access to the Proceedings. The early registration cost for the Workshop is \$150 for conference attendees and MTS members and \$200 for non MTS members not attending the full conference.

### SPONSORS

We invite sponsors to support the conference with their generous sponsorships. Details on the website.

## LOCATION

This year's conference will again be held at the spacious and elegant Westin Houston, Memorial City Hotel  
945 Gessner  
Houston, TX 77024  
Tel: 281/501-4300

The hotel is located in West Houston at the corner of Gessner and I-10, just east of the Sam Houston Tollway. Accommodation is available at a discounted rate of \$195 a night (plus tax) with advanced reservations by September 23, 2017, or until all allocated rooms are booked, whichever occurs first.

Book using the reservation link on the DP website at <http://dynamic-positioning.com/hotel.cfm>

*The Conference is a volunteer-run event and all funds in excess of those required to stage the conference are used for DP Committee projects.*

## ABOUT THE WORKSHOP

Chair: Chuck Centore, *GATE*

Co Chair: Blake Denton, *Noble Corporation*

The DP Conference workshop has proved to be an extremely popular addition to the Annual Conference. The workshop precedes the two-day MTS DP Conference and will be held on October 9, 2017 at the WESTIN MEMORIAL CITY Hotel, (same venue as the conference). This workshop continues to be seen as adding value to the DP community. This view is reflected in the increasing number of requests to the MTS DP Committee to conduct similar workshops in other areas around the world.

The topics for the 2017 workshop include:

### 8:00 AM MORNING SESSION

#### **DP ASSET REACTIVATION: READY FOR RECOVERY WITH INCIDENT FREE DP OPERATIONS THROUGH THE IMPLEMENTATION OF MTS GUIDANCE**

### 11:30 AM LUNCH

### 12:45 PM AFTERNOON SESSION

#### **RISK MANAGEMENT: DEVELOPING A ROBUST PLAN FOR CRITICAL DP PERSONNEL PREPAREDNESS IN COLLABORATION WITH INDUSTRY PROFESSIONALS**

### 4:30 PM - CONCLUSION OF WORKSHOP

TECHOP Guidance Documents relevant to the workshop will be published and available on the website prior to the Workshop. Participants will review and provide feedback on the featured TECHOP to the Guidance and Standards Sub Committee. Comments will be addressed and incorporated in the final version of this and other TECHOPs, if relevant.

Workshop attendance is limited to 90. Registration is separate from the Conference registration. Early registration is \$150 for Conference attendees and MTS members or \$200 for non MTS members not attending the Conference. Rates increase by \$50 respectively after September 9, 2017.

### Those Likely to Benefit from the Workshop

- Shipyards/DP Vessel Designers, Key DP Equipment Vendors
- Consultant Community
- Representatives from Vessel Owners/Contractors Project teams, Technical department (with accountability for specifying DP -- Equipment, FMEAs, Operations)
- Representatives from Class and Statutory Bodies (Flag State/Coastal State)
- Vessels' Operational Management teams (Masters, Chief Engineers, Chief Electricians, DPOs)
- Representatives from Oil Companies/Operators with accountability for assurance on marine and DP-related matters
- Representatives responsible for training personnel/stakeholders engaged in DP operations. (Not limited to DPO training)

The workshop will follow a similar format to previous years with the participants working in small groups of 8 -10 people per table. Experienced personnel will be available to participate, coach and mentor each group.

Results and conclusions from the workshop will be summarized and presented to the MTS DP Technical Committee and DP Conference participants at the Conference luncheon on October 10, 2017.

**Early registration for the DP Conference will open at around 3:30 PM. A reception - sponsored by HORNBECK OFFSHORE - will be held in the Exhibit Hall for all early registrations starting at 4:00 pm**
